The Executive Director – Twin Cities will report to the Founder and Chief Executive Officer (CEO) and provide leadership, management and support to the Twin Cities programs and operations of the Neighborhood Development Center.

The Neighborhood Development Center (NDC) is a non-profit, community development financial institution providing integrated business services to low-income community entrepreneurs to start and grow businesses in their own neighborhood. These businesses then enrich the economic and social fabric of the community.

NDC is a thriving organization with 34 employees and an ever-expanding mission to provide more services in more neighborhoods in the Twin Cities and beyond. Disadvantaged entrepreneurs have gotten a solid path to prosperity, while the quality of life in their neighborhoods has increased.
